

GURUKUL INSTITUTE OF TECHNOLOGY, BHUBANESWAR

Internal Quality Assurance Cell (IQAC)

As per AICTE norms Internal Quality Assurance Cell (IQAC) is the premier bodies of the college, having the advisory role, which discuss the academic matters, make decisions and proposals for the principal at the formation of policies, regulations and rules. The committee works for assuring the quality of the delivery of programs by individual departments and prepares progress report for submission to Governing Body at the end of each semester. It will also aim to promote measures for individual functioning toward quality enhancement through internalization of quality culture and institutionalization of best polices The IQAC monitors and provides feedback to HOD/ faculty about the observed weaknesses and suggestions for improvement at least once during a semester. IQAC also approve and forward the academic proposals submitted by individual departments to the principal for further processing. IQAC will also be responsible for preparing annual compliance report to be submitted to NBA.

Quality Policy

Gurukul Institute of Technology ensures quality Teaching-learning process, outreach services and Education for technical self sufficiency. It is dedicated to nurture a culture of continuous quality improvement and optimum utilization of resources to achieve academic excellence.

Functions of IQAC

- Set quality parameters and its benchmark, review and analyze the activities and reforms to be carried out.
- Adoption and dissemination of best practices to all stake holders.
- Maintenance of institutional data base through MIS for enhancing quality.
- Facilitation of learner centric environment with strategies for experiential and participative learning
- Prepare academic calendar at the beginning of each semester
- Conduct periodical review meetings – PAC, DAB, AC, Budget Committee Meeting, Library committee meeting, GC
- Organize inter and intra institute enrichment programmers for faculty
- Evolve strategic goals
- Analyze and action taken towards feedback from– Parent, Student, Alumni, Employer
